A Course in Undergraduate Mathematics

We are happy to announce a training programme 'A Course in Undergraduate Mathematics' for the first and second year B. Sc./ B.A Students at Bhaskaracharya Pratishthana, Pune. Interested T.Y. B.Sc./ B.A. students may also apply.

Bhaskaracharya Pratishthana is a reputed Educational and Research Institute in the field of Mathematics. The institute is well known for its contributions in training students at a variety of levels including School, Colleges, Universities as well as Mathematical Olympiads.

The objective of the present programme is to create interest in Mathematics among the students of undergraduate classes, achieve conceptual clarity and inculcate the spirit of problem solving among them. We believe that the students will also learn several topics by way of discussions with expert faculty members as well as peers from various colleges in the city.

The experienced faculty from various colleges in Pune will deliver lectures on important topics in Mathematics relevant to undergraduate syllabus. The details of the course are as follows:

About **30 hours (equivalent to 2 credits)** of training will be given in the programme.

Day and Time: Every Thursday 4.30 PM to 6.30 PM (Starting from 22nd August 2024)

Venue: Bhaskaracharya Pratishthana, Pune.

Fee: ₹ 1000/-

Last date for registration: 20th August 2024.
