Bhaskaracharya Mathematical Talent Search Competition 2020-21

Bhaskaracharya Pratishthana has a very high reputation in training the school students which leads to the training for International Mathematics Olympiad. Bhaskaracharya Pratishthana has started this activity from 2015, to commemorate the 900th birth anniversary of the legendary Indian Mathematician Bhaskaracharya II. Conducting a mathematics competition at school level would be a fitting tribute to Bhaskaracharya

Objectives:

1. Identify good students of mathematics at an early age.
2. A pre Olympiad type competition.
3. To enhance Mathematical ability and logical thinking.
4. Nurture programs for the successful students to improve their ability.

Eligibility: Students of 6th and 5th standard.

Syllabus: Mathematics syllabus up to 6th standard (detailed syllabus is displayed on the web site)

Registration from 15th November 2020 to 15th January 2021.

Mode: ONLINE, **Day and Date :** Sunday 24 January 2021, 10-00 am to 12 pm.

Examination Fee: Rs. 150 /- per student.*

Link for Registration:

Prizes: First : Rs 3000/- , a Book ,

Second : Rs 2000/- and a Book

Third : Rs1000/-, a Book

The cheer prizes in terms of books will be given. Certificates will be given for all the participants. Nurture training for the successful students will be arranged. Certificates will be given to all the participants.

Depending upon the response, Organisers may announce more prizes for the rural students.

Results will be declared in the first week of February, 2021 on the website.

The question paper for the competition will consist of multiple choice questions (MCQs) and numerical answer type questions. For multiple choice questions, the student has to click the correct answer and for numerical answer type questions, the student must enter the correct number as the answer. The question paper will be in Marathi also.

You have to take the exam from the place of your choice. The examination will be of objective type. A mock test will be conducted in a week before the competition. There will be supervision through camera. You do not have to switch off Camera. Your exam will end when you will switch off your camera

There will be a mock test before the competition. Please ensure that your Computer/ Laptop/ Tablet/ Mobile has 2 hours of uninterrupted connectivity of Power and Internet Service at the time of the examination.
